

Dealing WITH Donkeem

2 days ago.

She! Help!
I lost control!

Coming!

Present. The
Guardian Commander's
Office.

Junior Guardians of
Arlenda Aulren and Neeldashé
you are expelled from the Guardian
Office.

You disgrace
us!

You failed a mission
and burned down
a house!

But-

You can't
do this!

I
can.

Alright. What
do you know about
Donheim?

Give us a
second chance.

He's a shadow
being made of pure
darkness. He is vicious,
merciless and cruel.
His only weakness
is elemental
magic.

Excellent Neeldashé.
Well, since Aulren has
elemental magic, your
mission is to destroy
Donheim.
